ULTRA DENIM LIMITED

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of Ultra Denim Limited ("the Company"), (formerly known as Ultra Denim Private Limited) which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss, the Statement of Cash Flows a summary of notes to accounting policies and other explanatory information (herein after referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit for the period ended on that date

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not identified any of such matters that are to be reported separately here during the current period.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's board of directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Annexure - A to the Independent Auditor's Report

RE: Ultra Denim Limited

(Referred to in Paragraph 1 of our Report of even date.)

The Annexure referred to in our Independent Auditor's Report to the members of the Company on the Financial Statements for the year ended 31st March, 2025, we report that:

i. a). (A) According to the information and explanation given to us and the records produced to us for our verification, the company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) According to the information and explanation given to us and the records produced to us for our verification the company has maintained proper record showing full particulars of intangible assets.

b). According to the information and explanation given to us and the records produced to us for our verification, the Company has a regular programme of physical verification of its Property, Plant and Equipment's by which all Property, Plant and Equipment are verified by the management in a phased manner over a period of three years. In accordance with this programme, certain Property, Plant and Equipment were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Based on our verification, no material discrepancies were noticed on such verification.

c). According to the information and explanation given to us and the records produced to us for our verification, the title deeds of all the immovable properties. (Other than properties where the company is the lessee and the lease/rent agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company as at the Balance Sheet date.

d). According to the information and explanation given to us and the records produced to us for our verification, the company does not revalue its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Accordingly, the provision of paragraph 3(i)(d) of the Order is not applicable.

e). According to the information and explanation given to us and the records produced to us for our verification, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

ii. a). According to the information and explanation given to us and the records produced to us for our verification, the Company has a regular programme of physical verification of its inventory. In our opinion, the coverage and procedure of verification by management is appropriate. The discrepancies noticed on verification between the physical stock and the book records were not material and have been appropriately dealt with in the books of accounts.

b). According to the information and explanation given to us and the records produced to us for our verification, the company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In accordance with the information and explanation given to us, the quarterly returns or statements for ending at 31st March, 2025 were filed by the Company.

2 SIGNIFICANT ACCOUNTING POLICIES

a Basis of Preparation

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, as applicable. The financial statements have been prepared under the historical cost convention on accrual basis, except for certain financial instruments which are measured at fair value.

b Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, less accumulated depreciation / amortisation. Costs include all expenses incurred to bring the asset to its present location and condition.

Property, Plant and Equipment exclude computers and other assets individually costing Rs. 5,000 or less which are not capitalised except when they are part of a larger capital investment programme.

c Depreciation and amortization

Depreciation has been provided on the Fixed Asset on the SLM/WDV method and in accordance with the useful life of the Asset as prescribed under Schedule II of the Companies Act, 2013.

The useful life of the Assets has been taken as below;

Type of Assets	Useful Life
Buildings	30 Years
Plant and Equipment	15 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years
Office equipment	5 Years
Computers	3 Years

d Impairment of assets

At each balance sheet date, the management reviews the carrying amounts of its assets included in each cash generating unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset. Reversal of impairment loss is recognised as income in the statement of profit and loss.

d Leases

Assets taken on lease by the Company in its capacity as lessee, where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such a lease is capitalised at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is recognised for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating leases. Lease rentals under operating leases are recognised in the statement of profit and loss on a straight-line basis.

e Investment

Long-term investments and current maturities of long-term investments are stated at cost, less provision for other than temporary diminution in value. Current investments, except for current maturities of long-term investments, comprising investments in mutual funds, government securities and bonds are stated at the lower of cost and fair value.

f Inventories

Raw materials are carried at the lower of cost and net realisable value. Cost is determined on a weighted average basis. Purchased goods-in-transit are carried at cost. Work-in-progress is carried at the lower of cost and net realisable value. Stores and spare parts are carried at lower of cost and net realisable value. Finished goods produced or purchased by the Company are carried at lower of cost and net realisable value. Cost includes direct material and labour cost and a proportion of manufacturing overheads.

The valuation for inventories is as follows;

Classification	Valuation Policy
Finished Goods	At lower of cost or net realizable value.
Raw Material	At lower of cost or net realizable value.
WIP	At Cost
Consumables	At Cost

g Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

h Revenue recognition

Revenue from the sale of equipment are recognised upon delivery, which is when title passes to the customer. Revenue is reported net of discounts. Dividend is recorded when the right to receive payment is established. Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

i Employee Benefits

Post-employment benefit plans

Contributions to defined contribution retirement benefit schemes are recognised as expense when employees have rendered services entitling them to such benefits.

For defined benefit schemes, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in full in the statement of profit and loss for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, or amortised on a straight-line basis over the average period until the benefits become vested.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, and as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

For the year ended 31st March, 2025, the Company has made provision for Gratuity amounting to Rs. 28.98 Lakhs based on a Report obtained from Actuarial Valuer.

Other employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service. These benefits include compensated absences such as paid annual leave, overseas social security contributions and performance incentives.

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date.

j Foreign currency transactions

Income and expense in foreign currencies are converted at exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities other than net investments in non-integral foreign operations are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses are recognised in the statement of profit and loss. Exchange difference arising on a monetary item that, in substance, forms part of an enterprise's net investments in a non-integral foreign operation are accumulated in a foreign currency translation reserve.

k Taxation

Current income tax expense comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in countries where such operations are domiciled.

Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax after the tax holiday period. Accordingly, MAT is recognised as an asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with it will fructify.

Deferred tax expense or benefit is recognised on timing differences being the difference between taxable income and accounting income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction for relevant tax paying units and where the Company is able to and intends to settle the asset and liability on a net basis.

The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

l Earnings Per Shares

Basic earning per share is computed by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by taking into account the weighted average number of equity shares outstanding during the period and the weighted average number of equity shares which would be issued on conversion of all dilutive potential equity shares into equity shares.

m Use of Softwares having feathre of Audit Trail (Edit Log)

The Company is using two separate softwares for recording of transactions. For production, despatch, inventory management, costing, etc, it uses leading ERP software used by majority of textile units. However, for Accounting purposes, it uses another Accounting Software. The Accounting Software does have the feature of Audit Trail and it has operated throughout the year. It should be noted that the accounting software is not compatible for capturing data directly through ERP System. Thus, transaction based audit trail can be verified in phased manner from both the softwares.

n Provisions, Contingent liabilities and Contingent assets

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.
